Thank you for letting me know, and we're glad you are interested in responding to our proposal.

If you have questions as you review it, please compile a list for me and I can schedule a brief call to go over them with you if that would be helpful.

Good morning Tara,

Thank you for sending this to me. I was on vacation last week and just returning. We will be responding to the RFP. Unfortunately I will not be able to attend to the Q & A, but did want to let you know we are interested.

Thanks,

Mark Lammon
